

Hacettepe University
Department of Mechanical Engineering

2017-2018 Fall Semester Graduate Program Applications

Master's Degree Program Applications

Program applicants are required to take a **written exam**:

Exam date	:	3 July 2017, Monday
Exam time	:	10:00
Exam venue	:	Department of Mechanical Engineering, class(es) B-309 and/or B-312
Exam content	:	Undergraduate level Mechanical Engineering courses and Mathematics
Exam language	:	English

Applicants will have to choose **one of the following 4 research areas** before the exam. Research areas are:

- A. Thermal-Fluids Systems
- B. Dynamics, Control and Mechatronic
- C. Mechanics and Design
- D. Materials and Manufacturing

Detailed information on research areas can be reached via the following link:

[http://www.me.hacettepe.edu.tr//documents/Graduate Program Guide 03042017.pdf](http://www.me.hacettepe.edu.tr//documents/Graduate_Program_Guide_03042017.pdf)

There will be no oral examination for the Master's Degree Program.

PhD Program Applications

Program applicants are required to take an **oral exam**:

Exam date	:	3 July 2017, Monday
Exam time	:	10:00
Exam venue	:	Mechanical Engineering Department, meeting room.
Exam language	:	English and/or Turkish

PhD program applicants are expected to contact faculty with similar research interests that they would like to study.

Detailed information on PhD program can be reached via the following link:
