

Hacettepe University
Department of Mechanical Engineering

2017-2018 Spring Semester Graduate Program Applications

Master's Degree Program Applications

Program applicants are required to take a **written exam**:

Exam date	:	23 January 2018, Tuesday
Exam time	:	10:00
Exam venue	:	Department of Mechanical Engineering, class(es) B-309 and/or B-312
Exam content	:	Undergraduate level Mechanical Engineering courses (statics, thermodynamics materials science, manufacturing eng., dynamics, mechanics of materials, fluid mechanics, design of machine elements, theory of machines, system dynamics and control, heat transfer, mechanical vibrations) and Mathematics (numerical and analytical)
Exam language	:	English
Exam Duration	:	150 minutes
Exam Rules	:	Closed books and notes. Calculators are allowed and required.

There will be no oral examination for the Master's Degree Program.

PhD Program Applications

Program applicants are required to take an **oral exam/interview**:

Exam date	:	23 January 2018, Tuesday
Exam time	:	10:00
Exam venue	:	Mechanical Engineering Department, meeting room.
Exam language	:	English and/or Turkish

PhD program applicants are expected to contact faculty with similar research interests that they would like to study before the oral exam/interview.
